

## ∞ Everlasting Bouquet Prints ∞

Capture your flowers forever in print!

A special timeless piece for your home, a gift, or a greeting.

We arrange your flowers on a fabric or board before we make the bouquet, photograph it, capturing it in time forever.

We can photograph the elements of the bouquet or the finished bouquet  
Text is added, photo is printed on the medium of your choice and framed if choosing framed prints.

An alternative to drying or pressing flowers to preserve them, a photograph captures the colors and textures of the blooms when they are fresh and vibrant!

Contact us for more information or to schedule a photo shoot for your flowers.

Oh by the way, we design flowers!!
